MEMBER  
NATIONAL NEGRO PRESS  
ASSOCIATION.

This paper has enlisted with the government in the cause of America for the period of the war.

Have you ever tried the Spotless Kitchen, 23 West 13th street, the best place in town to eat?

The Woodland Studio at 2112 Woodland Avenue will be open every Friday evening during the summer.

## EDITORIALS.

There are many yellow boys among the Negro troops sent over to whip the Germans, but it will be found that none of them will show the yellow streak.

It was just as we have said all along. In the tide of battle this week and when the Allied lines were wavering under the fierce German assaults the American Negro troops by a brilliant dash saved the day. Even the prejudiced Star had to give it to us.

Each of the Negro teachers who were reappointed received a substantial increase in salary. Now let a large number enroll in summer school work whether at home or abroad in order that the quality of work performed next year may prove the worthiness of this financial consideration.

Prof. J. R. E. Lee in his denunciation of the picture show evil as related to student life did not make the case any too strong. The light, careless, desultory spirit of the average parent and school student is one of the greatest dangers that confronts our race. All school principals would do well to join in the same agitation.

Those lazy, shiftless and ignorant Negroes and equally worthless whites who persist in tramping through the flower beds and across the grass plots on the Paseo, particularly in those districts inhabited by Colored people ought not only to be arrested every time they do so but ought to be given a good clubbing as well that it might percolate through their worthless skulls that the flower beds and beauty spots were intended for something better than their big shiftless feet to tramp down and destroy. Not only the Park Board but the police department as well should make diligent effort to apprehend these wanton and malicious destroyers of the beauty spots of Kansas City.

In keeping with its usual policy of vilifying all those political candidates whom it cannot use, the Star is waging its usual venomous cowardly fight upon Judge William T. Bland who is a candidate for Congress and who as President of the School Board of Kansas City gave to the people of this Community the most progressive and gratifying administration School affairs have ever known in this city. The Sun predicts that the Star's cowardly attack will have the same effect on Judge Bland that they have had in the past and will have in this campaign on Judge Miles Bulger of the Jackson county court, in that it will increase their majorities in the primaries to an overwhelming figure and will give the thousands of independent voters and Republicans who believe in the right men in the right places an opportunity to help triumphantly elect them to the offices to which they aspire.

## Betty & Sam's Little Corner

## THEY SAY

THEY SAY

—That many times stolen sweets are hard to digest.

—That lots of women nurse a grievance who are not really trained nurses.

—That it didn't take long for a young woman to decide which of her suitors was the more preferable when one declared he was willing to give her his life and the other declared that he would give her every luxury.

—That a prominent man slapped another man's wife in his presence the other day. The husband is wondering what for and so is Betty and Sam.

—That a whole lot of good people enjoy telling bad news.

—CALL WEST 380.

—That a certain wife constantly tells her second husband the good qualities of the first husband. When he tires of this, oh my! Ouch!

—That a castle in the air is all right when you're dreaming but when you wake up a cottage on earth is better. Hush your mouth, Honey!

—That Abraham in Holy Writ begot a son when he was 114 years old. Well, it may be possible for the old men to yet repopulate this country. What say, Billy?

—That if all the Negro men were made to stand up who beat their wives, you would see some mighty familiar faces.

—CALL WEST 380.

—That the beautiful Maroon Colored Apperson Automobile at the School at 1420 Woodland is one of the most elegant in the city. It's yours when you want it.

When the cut-rate eyeglass peddler and the cheap downtown stores have muddled up your eyesight, then see Dr. I. M. Horton, expert in Optometry and the aristocrat among the eye men, white and black. The Doctor Knows. 1737 Paseo.

## Mackey's Liniment

I suffered with lumbago for a long time and I heard of Mackey's Liniment. I used one bottle of this Liniment and was entirely cured, and I feel safe to say it is the best Liniment made and it cannot be beat. I must say Mackey's Liniment will do all it is recommended to do.

JOHN SAULSBERRY,  
214 Highland Ave., Bell East 2757.

April 20, 1918.

This is to certify that I had Rheumatism very badly, limbs swollen tight, pain intense. I secured a bottle of Mackey's Liniment from Miss Lillian Tooley and after trying, according to directions, found more immediate relief than in anything else I had tried.

MRS. LILLIAN B. SMITH,  
2401 Flora Ave.

March 21, 1918.

Having bought a bottle of Mackey's Liniment of Miss Tooley and tried it for Rheumatism on my son, found it all that was needed. I will recommend it to any one for such troubles or neuralgia.

MRS. N. M. HENDERSON,  
1525 Virginia.

March 19, 1918.

My face was swollen from neuralgia almost had the lockjaw. Mackey's Liniment was recommended and I purchased a bottle of Miss Lillian Tooley and had one treatment before bedtime. The next morning I was able to eat with ease. I find it instant relief for any disease where liniment is required. I always expect to keep a bottle on hand.
